A great big thank you to Jason McVeigh, Sally Moran and Susan Avon from ThomasNet for the presentation on August 7, 2007. They gave us lots of information and plenty to think about. VSET, verify, search, evaluate, and take action. Contact information on all pages, make sure the client is getting what they want, save to favorites (skip the search engine entirely). Put your energy/time where you will get the best return on investment (ROI).

There are Chapter Scholarships available, please contact either Michael Onken or Phil Kipnis.

September is the time to nomination new officers. If you have ever been interested in becoming an officer, now is the time.
