We have an exciting new speaker coming **Diana Chapman**. Diana is a highly respected certified coach and workshop leader who has facilitated thousands of individuals throughout the country over the past decade. She specializes in coaching executive and political leaders and facilitating "The Tools", an experiential training to learn skills in conscious relationship and body-centered transformation. She is a graduate of DePauw University with a B.A. in Communications and a graduate apprentice of Drs. Gay and Kathlyn Hendricks, best selling authors and world-renowned relationship experts. Diana is highly intuitive and deeply committed to having fun while learning. She lives in Santa Cruz, CA with her husband and two children.

We got a bit of a bad news at the beginning of the BAAUG (Bay Area ACT User Group) meeting this Tuesday evening. One of the first questions that was addressed concerned:

1. Microsoft Vista
2. The New Microsoft 2007
3. and how will the operating system and office suite get along with the current versions of ACT (see below)

In terms of how this operating system and office suite will interact with ACT, major problems in that:

- If you buy a computer with the Vista operating system, you will only be able to run ACT! 2007 (9) Standard.
- ACT! 2007 (9) Premium for Workgroups will NOT RUN on Vista, regardless of the version
- Worst yet, with regards to the new Microsoft Office 2007 NO current version\* of ACT will work with it
- \*By current versions of ACT we mean ACT! 2007 (9), ACT! 2006 (8), and ACT! 2006 (7)
- We don't have any feedback about ACT! 2000 (6) because that program is no longer be supported by Sage Software, the current owners/publishers of ACT. Submitted by Edward Blake

In moving forward and expanding our membership are there any individuals you would like to see coming to our meetings? Please forward me their names and either email or postal mailing address so I can send them an invitation to our next dinner.

Phil Kipnis says **"I challenge the senior membership to bring at least one junior salesperson to each meeting"**, the continuity and continuation of ERA is dependant on this.
